

Term 3

In Secondary we are excited to be back at school after the holidays! This term we have had lots of fun learning new skills in our Math's, Language, ICT, Literacy, PE, Music, We are also enjoying spending time doing painting in art, building different things in woodwork and drumming with Peter!

MATHS - We have been learning more about measurement and money while also going over our multiplication, addition and subtraction. Money has been our favorite topic as we 'set up shop' in our class room.

LITERACY - Reading, reading and more reading! We have read so many books in the last few weeks. 'China', 'Fishing in the Rain' along with 'All About Earthworms' and 'Caretakers'. These books have had us learning lots of new words!

MUSIC - We have had the pleasure of having Ed teach us Music in 'Song room'. At the moment we are practicing hard as we work towards our performance at 'Bush bands' where our drumming and guitar skills will be on show!

LANGUAGE: Whether its Central Arrente, Western Arrente, Warlpiri or Luritja we love our language classes! This week we have been learning about different plants and bush medicines.

ICT: We have been learning how to use Microsoft word and challenging ourselves with learning how to 'touch type'.

DRUMMING: With Peter in drumming we are learning lots of new beats and new rhythms!

ART: We have loved learning new designs and enjoy painting on canvas in our new art classes. A big thank you goes to Melissa! Hopefully we will be able to sell our new bookmarks soon.

PE: We have loved playing indoor soccer and 'Golden Child' in the gym each Wednesday and Friday. We are also getting ready for the last two games of interschool football starting next week...go team!

WOODWORK: The yr9 and yr10 guys are doing woodwork and carpentry classes with Jeremy. Learning how to use various power tools and will be making furniture out of timber pallets.

SECONDARY WINS AWARD!

As you may already be aware we won the 'Tidy & Environmental Award' for keeping the area around our classroom clean! We were very proud to win the trophy as we have been working extra hard to keep things tidy!

This Weeks Awards

Child Care

Kohen Miller- Brown— Enjoying and participating in the cooking lesson and also using good language skills
