NEWS FROM THE PRINCIPAL

Werte Yipirinya Families,

We have had a number of interesting events happening this week at school.

A successful Yipirinya School Council AGM was held this morning. Thanks you to all members who came along. A new board has been formed with the following members: Harold Furber, Dawn Ross, Amelia Turner, Conrad Wiseman, Glen Sharpe and Beverly Angeles. There is still one vacant Board member position which will be filled by the first Board meeting of 2021.

Our accommodation block has been well used this term. 25 students and 4 staff from Ntaria stayed in our accommodation block this week. The Ntaria students were extremely friendly and polite. They thoroughly enjoyed their stay in Alice Springs and represented their school very well. Yuendumu used our facility a few weeks ago and enjoyed interacting with our students. Next week we have a group from Nyirripi coming to stay and Willowra School will be staying during our last week of school. Thanks to Centrecorp for sponsoring the Remote School Community Visit Program.

The senior students had fun with Katie from Bluearth this week designing and flying paper planes. Several students created very streamlined plane. A great time was had flying paper planes in the hall.

At last the pool has been fixed and swimming lessons will be starting for all classes next week, which will be great with the hot weather we are experiencing.

Student attendance dropped away this week so I hope all parents will be ensuring their children are attending everyday next week.

FAMILY FUN DAY and **AWARDS** are happening this Thursday 3rd December. We are having a performance, giving out reports, a delicious lunch and fun activities to celebrate together. Buses will start collecting families after 9:30am.

Have a wonderful weekend.

BLUEARTH

This week in Bluearth the students made paper planes and saw who could fly them the furthest.

Over the past few weeks we have had Nicole Johnson working with us at Yipirinya as the new HR and Strategic Planner.

Nicole is also a well-qualified educator who worked in Central Australia in the past and is known by several school families.
