**NEWS FROM THE PRINCIPAL**

Hi Families and Friends!

Today the Easter Bunny visited the school and students were very happy to say hello and receive some Easter eggs from the Bunny.

(I think it might have been Josef dressed in the bunny suit!)

This afternoon our visiting school - Geelong College organized a terrific afternoon swimming carnival for the whole school. Thanks to Geelong College staff and students and we hope to see them return next year.

School returns next Tuesday for four days and our last day of term is Friday 6<sup>th</sup> April. We have a two week break and students return to school on Tuesday 24<sup>th</sup> April.

I would like to wish everyone a very Happy Easter and don't eat too much chocolate!

Lorraine Sligar

**School Master Plan**

We are working on the development of a Master Plan to plan development for the school in terms of buildings and infrastructure. We would like to have a parent/family representative on the Steering Committee so if you are interested or would like more information please ring the school and ask for Lorraine.

The Secondary Class have had a good start to the year, making great progress in Direct Instruction, Maths and Space Science. They have also been participating in a range of activities

Activities included Bangarra Dance workshop, Badminton, Bluearth Workshops, Cultural Excursions, Class Reward shopping at Kmart, swimming and assisting with putting on the pool cover

# Secondary Year 9

The students have also been doing some maths measurement as part of the new playground preparation.

This week the class participated in a Digital Literacy workshop and have started creating a digital dictionary for the different language groups assisted by the Language and Culture teachers.
