FRIDAY 12th June 2020

NEWS FROM THE PRINCIPAL

Dear Yipirinya families

We only have two weeks left of school this term and most students are still doing their best when they come to school. They are here every day and are always ready to learn. Well done to these students and keep up the great work, the staff can see how hard you work and you should be proud of your efforts.

We have a small number of students who don't come to school ready to learn. We will keep working to keep these students on track and will be contacting parents every time to let them know what's been happening and to ask them to talk with their children about how they can make better choices next time.

Well done to Rhys and Karen in the canteen. They have just had an inspection and received their certificate for demonstrating commitment to the COVID-19 School Safety Plan. Well done to you both.

Have a great weekend.
Jackie.

Well done!

100% ATTENDANCE
