NEWS FROM THE PRINCIPAL

Hi to all families

You will see the photos in this newsletter which show our students enjoying their interschool sport. They do this on Fridays and we are really very proud of their behaviour. They are a credit to our school.

Our swimming pool is getting water-proofed and retiled and should be ready early next term for student to start swimming. We will let you know when this is all finished.

The weather is getting hotter and the snakes might be out soon. Please help us to remind students to keep an eye on the ground when they are walking around and remind them to wear shoes just in case.

Have a lovely weekend.
Jackie.

Well done!

Interschool Sports

On Friday afternoon Year 4, 5 and 6 went to Larapinta School for Interschool Sports. Students enjoyed themselves playing handball, showed great sportsmanship and showed their skills. Well done to all.
