

First weeks in the 'Superheroes' class - Year 2

A big welcome to all our old and new students and hello to families! We are all settling in to a new year and together have come up our own team rules and with the name 'Superheroes' for our class!

Drumming has certainly been a highlight for the students who are demonstrating their understanding of rhythm—thanks Peter !

In Maths the students are beginning to work well in small groups to play maths games where they are learning to count and add numbers.

The students were very excited to go hunting for caterpillars as part of learning to read and write parts of "The Very Hungry Caterpillar" book whilst learning about the days of the week. Do ask the Year 2 students

About how a caterpillar changes into a butterfly and they will tell you about the life cycle. In science we have just begun to explore frog lifecycles so stay tuned.

Families if you would like to come and share language with the class or like to visit let us know!

From: Naomi, Susan, Dwayne and Lucy

This Weeks Awards

Child Care

Khloe Ronberg—Excellent listening skills

Kyanah Rankine— 100% attendance

Transition

Hailey Stuart— Excellent effort in maths with one –to-one correspondence work
