

## *Welcome from the Interim School Principal*

Welcome back to Term 3, we hope you are all rested and enjoyed your holidays.

We would like to extend a warm welcome to our new Interim Principal Mrs Lyn McCullagh, who has come all the way from Ulladulla on the South Coast of NSW.

Mrs McCullagh has two sons living here in Alice Springs and is really happy to be spending the next six months visiting them while she is leading our school. Mrs McCullagh would like to see as many parents as possible come and visit the school and to meet her, while she is here.

We would also like to welcome back our returning staff, Rosemary Swao, who was away on long service leave and Matilda Schoeman who was away on maternity leave.

Thank you once again Dr. Lance Box for all the work you have done in the first six months as our Interim School Administrator. Lance has moved into a new role as Teacher and Learning Manager. Yipirinya School is a family school, it is your school. We encourage parents to continue bringing students to the school. We have lots of exciting activities happening at the school so make sure that you come to school everyday and bring your friends to join in all the great activities.

*This Week Tarzan will be spending his time with the Secondary students.*

*Audrey Johnston from Child Care receives an award from our Teaching and Learning Manager at our 1st assembly of the term.*
