What's Happening in the Year 2 Class

Hello families!

Year 2 are very happy to be back at school this term and are trying hard to come to school every day. We have managed to go on excursions this term to see Sturt's Desert Pea, The Cranky Bear Show, the Araluen Art Gallery and to Araluen theatre backstage to see the lights and dressing rooms. Our language teachers took us to the Desert Park too!

There are so many words we can read that now all the students can read some books. We have been working hard to learn to write sentences that are made up of a noun and a verb. And when we go to computers we type up our writing and illustrate it, then we are really proud of what we have achieved.

In Maths we are learning to read the dates on a calendar so we know exactly how long it is till our birthdays are next. Some of us are getting so good at adding that now we are learning to subtract numbers as well.

Science is lots of fun! We have made lava lamps, boats that float and sink and been on adventures learning all about how plants grow. Susan helped us to plant our own seeds and they are just starting to grow which is very exciting!

On Mondays we have been learning to draw native plants and we have lots of amazing artists in the class! We are looking forward to learning more about Australian animals and doing cooking as the term goes on.

From: Naomi,
Susan, Lucy and
Natassia

Upcoming Events

Monday 24th August

St Mary's of the Angels visit

Tuesday 25th August

St Mary's of the Angels visit

Sisters of Charity— Year 3/4 + Year 2
