FRIDAY 26th June 2020

WELCOME BACK  
TO SCHOOL

## NEWS FROM THE PRINCIPAL

Dear families

### Where are our wonderful students?

**Next week** is the last week of our school census time.

**Next week**, if too many students stay home from school, **we may not get enough money from the government** to help us pay for everything at school.

**Next week**, if too many students stay home from school, **we may not get enough money to keep all our staff** and our students may not get the attention they need to help them learn.

**Next week**, if too many students stay home from school, **we may not get enough money to pay for fun things** like taking students to interschool sports or learning music.

**Next week**, get your children ready every morning to catch the bus and come to school because we're missing all of our old faces.

We have some exciting activities happening starting next week. Our senior students are starting boxing classes with G Training Health and Fitness and interschool sport starts next Friday. Children have to be at school and have their forms signed if they want to join in.

We look forward to seeing you all at school again soon. Have a great weekend.  
Jackie.

### 100% ATTENDANCE

Amon Long - Transition  
David Cook - Year 1  
Peter Hill - Year 3
