NEWS FROM THE PRINCIPAL

Hello to all families

Our secondary students started **boxing lessons** this week and they had a great times during their first lesson. Thanks to their teacher Flo Bourke who organised these sessions for her students. Our secondary class will have two boxing lessons a week until the end of this term. These students should be attending school regularly if they want to be included every week.

Interschool sports started today and we hosted students from Gillen Primary for games of handball. Go Yipirinya!!!!

Because we are taking students on buses for excursions and sports events, we really need your **mobile phone number** and the number

of an emergency contact. If something happens to your child at any time, we may need to ring you to let you know what's happened. **Please ring the front office on 8952 5633 or send a note to the teacher every time you get a new phone number so we can always contact you.**

It's been good to see new students enrol at our school and to see other students who have come back to Yipirinya School after being away for a long time. We also have some students who attend our school regularly and they get a special pat on the back for working so hard every day. Thanks to these families for making sure your children get to school regularly.

Remember, Monday 3rd August is a public holiday so we will see the students back at school on Tuesday 4th August.

Have a great weekend
Jackie

We are now taking enrolments!

Please come in to the school or call to get Liaison to come visit you at your home.
