## FROM THE PRINCIPAL

Hello friends and families,

A big welcome back to Term 3 to everyone and I hope all our students had a happy and safe holiday.

We have had a very slow start as far as student attendance goes and I would like to remind all families to ensure that their children are ready for the bus in the morning. I know it can be difficult to get back into the school routine after a long break so I hope that we see more of our students back at school next week.

Our Secondary class set off today for Uluru to participate in the Outback Marathon. They had been training for this all last term and they were very excited to set off with teachers Jim, Janice and Reece this morning. We wish them all the best for their run tomorrow.

Today is a very sad day for Yipirinya as we farewell Jane Conaghan, our Special Needs Teacher. Jane has been with us for over ten years and has worked tirelessly with our students. We will miss Jane's contribution but we wish her well for the future.

Today at assembly we recognised students who had been at school every day this week. Students received \$5 for their school shopping and went into the draw for a special prize. This week the lucky winner for the attendance prize was Russell France. This will be a regular event at our assemblies so watch this space!
