Volume 2, Issue 3

From the Principal

Another good week at School, students in Years 1, 4 and 6 participated in Athletics with other schools and I am pleased to report that we have many future champions here at Yipirinya School!

Secondary students are continuing their training and some can run 4 kilometres.

The Secondary students should be proud of their effort and commitment.

Something else to be proud of. Susan Walker gave a brilliant speech at her graduation from Batchelor last year and her speech has now been put on the Batchelor website, so check it out and well done Susan!

Direct Instruction is working well for all students from Year 1 to Secondary and today we saw many students receive awards for passing Mastery Tests.

I have told our students that they are on the Yipirinya train which goes to good places; by this I mean they will have real choices in life that come from the ability to read and write in English, know their own language and be proud of their culture and history.

Outback Marathon Training

Patrick Furber, Michael Petrick and DJ McCormack ran the 4km with Thomas. All students completed stretching exercises before the run.

This is what some students had to say...
"We ran from Araluen to Flynn's Grave and then we went on the bus and drove to the Dessert Park for an icy pole" Michael.

'We went for a jog from Araluen Christian School and we worked hard and had a little treat. Patrick.

'We ran 4km and we had great fun, we had a great treat called 'Life Saver'. DJ.

This Weeks Class Awards

Transition

Lynton Renkaraka for excellent mouse skills during ICT computer class.
