NEWS FROM THE DEPUTY PRINCIPAL

Hi Families and Friends!

I am the new Deputy Principal here at Yipirinya. I want to thank you all for a very warm welcome during my first two weeks of school and I look forward to meeting the families of

our students that attend Yipirinya.

A big thank you to all our students who continue to come to school every day prepared to listen to the teacher and eager to learn. We thank all the families who prepare their children for school in the morning, ready to catch the buses. As I did a ride along on one of the bus runs, it was great to meet parents and wonderful to see the children ready to attend school.

We have had a good start to the term with positive behaviour in classes. It has been great to go into classrooms and see exciting lessons being taught. The teachers and staff work hard to see that all students who are here every day are learning and improving and making great strides in Literacy with Direct Instruction.

I look forward to meeting all of the families of our students here at Yipirinya and working together to give the children every opportunity to be successful!

Year one yerrampe class have had a great to term 2! In the mornings we are working hard in our DI to learn about sounds and read words. During math's time we have been working in groups to practice counting and writing numbers.

Today we are going to Araluen arts centre to see a show called 'Yo Diddle Diddle'. We have been learning the rhyme 'Hey Diddle Diddle' in class and know about all of the characters. We are all very excited to see the show and to have a picnic in the Araluen park!

Next week we are looking forward to going on a bush trip to Burt Creek plains with the language teachers. They are going to teach us about bush medicine plants. We really like learning about language and culture with our teachers.

Keep coming to school everyday and being responsible and respectful learners!
