

# YIPIRINYA SCHOOL

Hi to everyone

We've had a great week with lots of hard work taking place and we are half way through the term already. Students have settled well into their routines and the change of time has gone smoothly.

Thanks to the Year 5 and 6 students for working in different classrooms while they are waiting for their new rooms to be finished. They've been out of their usual class for 5 weeks and the students and staff have handled this very well. It won't be long now until the last things are organised and hopefully they will move in about two or three weeks.

We are glad to say though, that the secondary students have now moved into their new room and are settling in nicely.

The bus carpark now has bitumen and will soon have a shelter for our buses which is terrific.

Our students have worked hard through these changes to our school and we are very proud of them.

Have a great weekend

Jackie
