

YIPIRINYA SCHOOL

Hello again from Yipirinya School. We had many new students enrol over the past few weeks and our teachers are all working very hard to ensure that their programs cater for the wide range of needs of students in their class.

COVID 19 UPDATE

The NT Government said that students should be coming to school from the start of term two unless parents choose to keep them at home.

Well done to the students who came to school every day this week, you'll see their names in this newsletter and we are proud of these students. Let us know when your child is away by ringing us on 8952 5633 to let us know what's happening. We need to see our students every day at school if we are going to make a difference.

SCHOOL BUSES

Starting from next week we will only be doing one bus run in the morning. This is to ensure that classes start on time for every student.

We want our students to start every day ready to learn. They need to be ready for the bus in the morning so they can get to school on time. When they get here on time, they can eat a delicious breakfast cooked by Rhys and Karen, have a chat to their friends before school and then get into class on time without feeling embarrassed. Thanks for your understanding.

SCHOOL GROUNDS

We've had a broken window in the hall and a break in to the canteen this week which was a bit of a worry. But, on a good note, our school maintenance guys are working hard to make our school look neat and tidy so the grounds are something that makes us proud.

Have a great weekend.
From Jackie.
