

YEPERENYE YEYE AKWEKWE FRIDAY 14TH AUGUST 2015

What's Been Happening with the Year 3/4 Class

We are half way through the term and time is flying by quick.

Maths – In the first couple of weeks we were learning about Place Value and addition. This has helped us a lot to learn about money. We hope to sell jelly cups within the next couple of weeks.

Literacy – We have been learning about Narratives and writing about characters from lots of story books. We were very lucky to go and see 'The Very Cranky Bear' by Nick Bland on stage at the Araluen Centre. The narrative theme will help us when we start to do our Drama lessons in the next few weeks.

ICT – In computers we do our Reading Eggs which helps us with finding new words and sounds. We

have also just started doing touch typing and copying our stories from the narratives we do in literacy.

The students also enjoy going to the Buddy Class which is the Transitions and helping out with them and the other highlight of the week is Drumming with Peter.

This Weeks Awards

Child Care

Audrey Johnston—Trying really hard at toilet training.
