

YIPIRINYA SCHOOL

We have found that some of our students are feeling tired at school and having some difficulty with concentrating in class. Some students are telling us that they have spent a lot of times playing games on their phones and have not been getting enough sleep. Could you help us by keeping an eye on how much time they spend playing games so that they can come to school ready to learn? Any help would be appreciated.

We have some great work taking place in the Language Centre and we have included some photos about this in our newsletter this week. We have Jackie, Sara-Lee, Jennifer, Rhonda and Dulcie working hard to ensure the students have a two-way education and they are doing some great things with your children.

Have a good weekend

Jackie
