What's Been Happening with the Irrarnte Class

We have had an interesting week with lots of activity and some changes.

Ms Annie has been made Assistant Principal and Ms Jenny and Dave taught us this week.

D.I is helping us listen better and we have fun. We have all been going to D.I class and learning from our teachers. It is a different way of learning and we want to read more. Today we are also going to Braitling to play soft ball. Wednesday we played hockey with some men from Alice Springs Hockey.

We have enjoyed this week and the new activities.

Irretye Class Outback Marathon Training

Irretye class continued their running training along the Simpson's Gap Bike track on Wednesday. The leading group of runners are now out to 6km which is a fantastic effort.

The students are to be congratulated on their positive attitude to the training and all of them are running or walking to their ability.

Some of the student journals from Wednesday are below.
