

YIPIRINYA SCHOOL

We have just finished National Reconciliation Week and this year it was about being **In This Together**. Every one of us has a role to play when it comes to reconciliation, and in playing our part we collectively build relationships and communities that value Aboriginal and Torres Strait Islander people, histories and cultures.

SAD NEWS

Recently, we have had some students who have wasted their time playing in the playground instead of going to their class to learn. When this happens, we need extra staff to supervise them in the playground and extra staff to supervise them when the Principal has to see each student in the office. The other students in the class also get interrupted by these misbehaving students in the playground.

If we write a letter or give you a phone call to let you know your child has been wasting their time and staff time, it would help us if you could talk with them and let them know it's important to always do their best and stay in class so they can be good learners at school every day.

GREAT NEWS

Luckily, we have many terrific students who ignore those others who interrupt everyone at school, and we think these students are all working hard and are putting in a huge effort every day to do their best. Thanks to these many wonderful students for doing such a great job, you should be proud of yourselves. We are very proud of you too!

Next Monday is a public holiday and it will be a great time for students to catch up on some sleep and have a rest, so they can work hard in the last three weeks of term two.

Have a great long weekend.

Jackie

	PUBLIC HOLIDAY	Only 1 bus run	Only 1 bus run	Only 1 bus run	Only 1 bus run No assembly

Last Friday the Year 5 students went to Araluen Park for a picnic lunch. The outing was a mid-term reward, and a thank you, from their teachers for following the 3B's – Be responsible, Be respectful, Be a learner and also for coming to school regularly. Well Done.
